

Name: Mistral Bib-Trousers

Code: 34947

Summer High Visibility

Description

High visibility Bib-trousers made of fluorescent Mistral fabric 55% cotton and 45% polyester, weight 240 g/m² with double stitched seams for high resistance.

It features an elastic shoulder straps with quick-fastening buckle, concealed zipper patch pocket on the bib, waistband adjustable with buttons, rear-bib, right ruler pocket, two reinforced side pockets and one rear; jointed double stitching in the most vulnerable areas. One loop reflective band around the waist and two loops around the legs.

- The Mistral range guarantees excellent breathability thanks to the high percentage of cotton.

- Weight of 240 g/m² ideal for the summer.

- The fabric surface enhances the ability to repel liquid and dirt.

The product is designed and manufactured to comply with the essential health and safety requirements of Directive 89/686/EEC, and to conform to the requirements of European standards EN 20471 for high visibility clothing.

It is classified as PPE Cat. II.
